### Feifei

大家好！欢迎收听由 BBC 英语教学制作的“地道英语”节目。我是冯菲菲。

### Roy

And I'm Roy! Feifei, have you listened to the latest song by my favourite band, Dragon Tennis?

### Feifei

Dragon Tennis are a terrible band who make dreadful music. Mic drop!

### Roy

What?! I think the lead singer dropped the microphone once. You can't hate them because of that!

### Feifei

你还没有理解我的意思！当我们在与他人的讨论中提出了一个中肯的观点后，我们可以用“mic drop（扔话筒）”来结束讨论。

### Roy

Oh, so our conversation is finished? OK. Well, that makes sense about the expression 'mic drop'.

### Feifei

我们也可以在批评完某人后说“mic drop”。

### Roy

Yes, for example: Feifei, your taste in music is terrible which is why you don't appreciate Dragon Tennis. Mic drop!

**Feifei**

Very good example, but not true. Let's listen to these examples.

**Examples**

Your idea is the worst thing I've ever heard! Mic drop.

I can't believe he ended his message with 'mic drop'. He's so wrong and the discussion is not over!

This is undoubtedly the best game ever. Mic drop!

**Feifei**

你正在收听的是 BBC英语教学的“地道英语”节目。在这期节目中，我们一起学习“mic drop”的意思和用法。“Mic drop”原指“在表演或演讲结束的时候故意扔掉麦克风的举动，以此来引人瞩目”。现如今，人们用“mic drop”来示意“一个讨论就此结束，没什么可说的了”。

**Roy**

Yes, it's quite common in messages or emails. It's also seen with the verb 'perform'.

**Feifei**

That's right – 'perform a mic drop'. I use this a lot when I'm discussing things with people and I know I'm right.

**Roy**

It's true that you say that a lot. I think you've explained the expression really well.

**Feifei**

It's true! My job here is done. Mic drop!

**Roy**

Haha – very good use of 'mic drop'. What else should we teach now?

**Feifei**

Nothing. I was serious when I said 'mic drop'. Bye.

**Roy**

Bye!
