Feifei

大家好，这里是 BBC 英语教学的“地道英语”节目，我是菲菲。

Rob

... and I'm Rob. Hey, Feifei, you know this is the programme where we teach a piece of authentic English?

Feifei

Yes, Rob. That's the name of the programme.

Rob

Yeah, I just wondered if today, we didn't – we did something else?

Feifei

No. We have to teach an English phrase – no ifs or buts!

Rob

But if we sang a song for a change, it might be more fun.

Feifei

好了好了，你别捣乱了。咱们赶紧教大家如何使用表达“no ifs or buts”。

Rob

But couldn't we just...

Feifei

No ifs or buts, Rob – no compromises! 当我们对某人说“no ifs or buts”的时候，意思就是“没得商量，别讨价还价，别找借口”。我们还可以用“no ifs or buts”来表示“毫无疑问，无可争辩”。

Rob

Hmm, and do we have to have some examples?

Feifei

No ifs or buts – we do.

Examples

No ifs or buts – you have to be in bed by ten o'clock.

We've all got to work really hard to complete this project by the deadline – no ifs or buts.

No ifs or buts – this is the best restaurant I have ever eaten at.

Feifei

你正在收听的是 BBC 英语教学的“地道英语”节目，我们正在介绍表达“no ifs or buts”的含义和用法。我们用“no ifs or buts”来告诉某人“必须做某事，没得商量，别讨价还价，别找借口”；它还有“毫无疑问”的意思。

Rob

OK, I've got it – no singing, no dancing, just teaching.

Feifei

Rob, if you want to do some dancing, go ahead, but we should invite everyone to come and watch.

Rob

Hmm, yes. You're right, no ifs or buts – let's stick to teaching an English phrase.

Feifei

Very wise. And no ifs or buts, we have to go now. Bye.

Rob

Bye-bye.
